NOTICE OF PROPOSED ACTION

Web posting date: 01/10/08

The Nevada Division of Environmental Protection is issuing this Notice of Proposed Action under the Nevada Revised Statutes and the U.S. Clean Water Act. The Division has received a complete application to renew National Pollutant Discharge Elimination System (NPDES) permit NV0023221 from:

7 Eleven Inc
P O Box 711
Dallas TX 75221-0711

An underground gasoline storage tank leak at 7 Eleven #27607 at 600 N Las Vegas Blvd, Clark County, has resulted in a groundwater contamination plume that has been undergoing treatment since May 2005. The treatment system is comprised of extraction wells, air/liquid separation, air stream oxidation, oil water separation, free product recovery, air stripping, and carbon adsorption.

The discharge is to the adjacent storm drain on Las Vegas Blvd. Remedial activities are being conducted pursuant to the requirements of the Division's Bureau of Corrective Actions, while the treated water discharge is the subject of this notice. The air discharge is regulated by the Clark County Department of Air Quality. The Division has made the tentative determination to renew the permit for a five year term. Comments, objections, or public hearing requests on this matter must be submitted in writing to:

Bureau of Water Pollution Control
Nevada Division of Environmental Protection
901 S Stewart St Ste 4001
Carson City, Nevada 89701-5249

by 5:00 pm Tuesday February 19, 2008. Mail postmarked on that date will also be accepted. Hearing requests must indicate the interest of the person filing the request and the reasons why a hearing is warranted. Any public hearing would be preceded by a thirty day public notice period.

If no hearing is held, and substantial changes are proposed in response to the comments received, a new public notice period would be conducted for the revised permit. Copies of the application, proposed permit, and other information on file may
